Forms Kit

MFS® SEP/SARSEP IRA

Everything you need ...

- to open a SEP/SARSEP account with MFS
- to transfer your account(s) to a SEP/SARSEP at MFS
- to directly roll over your 403(b) or other qualified plan to a SEP/SARSEP at MFS

GENERAL INSTRUCTIONS

- 1. To establish a SEP/SARSEP IRA with MFS, complete the appropriate sections of the enclosed MFS SEP/SARSEP IRA Application.
- 2. Make your check(s) payable to MFS Heritage Trust Company.
- 3. Additional forms are required to establish a SEP or SARSEP. Please be sure your employer has properly established a SEP or SARSEP plan, and ask your employer or investment professional for a participant information kit. If your employer is establishing the SEP plan with MFS at the same time this application is being submitted, please attach a copy of the employer's executed SEP adoption agreement.
- 4. Be sure to check the "Direct Rollover" box if you are rolling over your assets directly from an eligible retirement plan.
- 5. If you are rolling over assets for which you have taken constructive receipt, i.e., the check is payable to you, check the "Rollover" box and indicate the type of plan from which you are rolling over. Such assets must be rolled over within 60 days.

Note: Internal Revenue Service rules allow only one IRA-to-IRA rollover in any twelve-month time period, regardless of the number of IRAs an individual has or the types of IRAs (including traditional and Roth IRAs and SEP and SIMPLE IRAs). Exceeding this limit, even if the prior rollover involved a different type of IRA, will result in an excess contribution to your IRA subject to taxation and penalties. Roth conversions (rollovers from traditional IRAs to Roth IRAs), rollovers between qualified plans and IRAs, and trustee-to-trustee transfers – direct transfers of assets from one IRA trustee to another – are not subject to the one-per-year limit and are disregarded in applying the limit to other rollovers. You may want to consult with your tax advisor before making a rollover.

From the list below, determine which form(s) you need to establish the SEP or SARSEP IRA you want.

MFS® SEP/SARSEP IRA APPLICATION

If your employer is establishing the SEP plan with MFS at the same time this application is being submitted, please attach a copy of the employer's executed SEP adoption agreement.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

You must provide the following information for each person listed on the account: name, date of birth, Social Security number or taxpayer identification number, and residential address (a P.O. Box is not acceptable). We also may ask to see your driver's license or other identifying documents. In the event that MFSC, on behalf of the fund, is unable to verify the identity of investors, MFSC and the fund reserve the right to take additional steps up to and including closing the account if required by applicable law.
