6. Withholding/Rollover Instructions Please complete Section A, B, C or D.

Eligible rollover distributions made to the participant, or surviving spouse/non-spouse designated beneficiary are subject to 20% mandatory federal income tax withholding. Non-eligible rollover distributions such as Required Minimum Distributions, Hardship withdrawals, or payments due to death to a non-spouse beneficiary that is not an individual (such as a charity or estate) are subject to voluntary tax withholding and Section 6B must be completed for these distribution types only. Loans are nontaxable and Section 6C must be completed for this distribution type. Please note that the amount requested for distribution in Section 5 will be reduced by the amount withheld for taxes.

A. Make a single payment of the amount(s) indicated in Section 5, subject to mandatory 20% federal income tax withholding to the participant or surviving spouse/non-spouse designated beneficiary as specified in Section 7. Distributions which are subject to federal income tax withholding and which are paid to residents of AR, CA, CT¹, DE, IA², KS, ME, MD, MA, MN³, NE, NC, OK⁴, OR, VT, and VA are subject to mandatory state income tax withholding (the list of states may change as a result of changing state legislation). If your state requires withholding, MFS will withhold at least the minimum state tax regardless of your election. Distributions paid to residents of all other states will not have any state income taxes withheld. The withholding is mandatory and you cannot elect out of it.

Withhold _____% (if more than 20%) for federal income taxes.

¹ Distributions paid to residents of CT are subject to state income tax withholding regardless of federal withholding election unless a completed Form CT-W4P is on file and the request is not redeeming the entire plan balance.

² Residents of IA will have state income taxes withheld unless you qualify for the retirement income exclusion.

³ Residents of MN will have state income taxes withheld regardless of whether you've elected federal income tax withholding unless you submit or have submitted a completed Form W-4MNP for a periodic or non-periodic distribution. If not already submitted, a Form W-4MNP should be submitted with this distribution request. If you have not submitted a completed W-4MNP at the time of your distribution request, MFSC will withhold based on the applicable state tax rate in accordance with state statute.

⁴ Residents of OK will have state income taxes withheld regardless of federal income tax withholding unless you submit a completed Form OK-W-4-R for a periodic or partial distribution with this request.

- B.** Make a single payment of the amount(s) indicated in Section 5, subject to a voluntary tax withholding rate of 10% because the payment is not an eligible rollover distribution (Required Minimum Distribution, Hardship withdrawal, or distribution due to death to a non-spouse beneficiary that is not an individual).
- Withhold _____% (0%-100%) for federal income taxes. Please note, if the participant has indicated to not withhold for federal income taxes, you must indicate 0% here.

Note: If a withholding election is not made above, 10% withholding will be applied to the distribution.

If the recipient is a resident of AR, CA, CT¹, DE, IA², KS, ME, MA, MN³, NE, NC, OK⁴, OR, VT, or VA state income tax will be withheld also (the list of states may change as a result of changing state legislation). If your state requires withholding, MFS will withhold at least the minimum state tax regardless of your election.
